

Press Release | 10th March 2023

Date announcement ILM Edition #159.

ILM Edition #157 in February of this year was very well attended and, in addition to a good atmosphere and lively order activity, the trade show was also able to record a strong increase in internationality. Surveys of visitors and exhibitors revealed that the new date in early February was well received. "There is no trade show in the whole world that builds reach so efficiently. And that's why ILM does what the industry wants and needs" explains Arnd Hinrich Kappe, Managing Director of Messe Offenbach.

DATE ANNOUNCEMENT. The ILM Edition #159 moves again to the date in early February and will take place from 03 to 05 February 2024. Thus, the fair proves that it listens to its visitors and exhibitors and focuses on their wishes and needs.
