

Press Release / 14. December 2022

New Date.

ILM once again proves that it is flexible and can adapt to the wishes and requirements of its brands and visitors at any time. "We always have the needs of the industry in mind and respond to the changing framework conditions by adjusting the dates" explains Arnd Hinrich Kappe, Managing Director of Messe Offenbach.

NEW DATE. *ILM EDITION #158 moves back to the old date and will take place from 02 to 04 September 2023. "The supply chain issue has eased and customers want to order later again," says Arnd Hinrich Kappe, further justifying "the added value for brands and visitors is our top priority." ILM does what the industry wants and needs. That is their unqualified commitment.*
